As the owner or authorized guardian of Lucky Dog, I give permission to Animal Care Centers and Purrfect Paws Pet Resort to receive, treat, prescribe, or otherwise care for Lucky Dog as deemed necessary.

Reasonable precaution will be used against injury, escape or death of Lucky Dog. The staff will not be held liable for problems that develop provided reasonable care and precautions are followed. I understand that any problem that develops with Lucky Dog will be treated as deemed best by the staff veterinarians and I assume full responsibility for the treatment expense involved.

Should injury or circumstance warrant the need for emergency service, I understand that the staff will make every effort to make the necessary contacts before treatment, but will exercise the option to proceed if no one is available for clearance.

I understand vaccine manufacturers recommend that kennel cough vaccines be boosted twice yearly and that for the safety of Lucky Dog, boosters are required every six months before any boarding or grooming.
