

# THE ADVOCATE

**Animal Medical Clinic/Hood County Animal Medical  
Clinic  
December 2005**

About this time of the year, most of us have already started thinking about the holidays and have begun our planning and shopping. Our mood lightens as we look forward to the Christmas, Chanukah and New Year season.

We, here at Animal Medical Clinic and Hood County Animal Clinic, reflect on the Thanksgiving season as a time to extend our sincere thanks to our valued clients and friends. You have allowed us to serve your beloved furry family members, both in times of illness and those times where we, together, have sought to prevent future diseases with wellness examinations and immunizations.

All of our staff sincerely wishes you a happy and healthy holiday season. We would also like to extend wishes for you and your family to enjoy a safe, healthy and prosperous 2006.

We hope that you will join us in giving thanks for that which we have received and hope to receive, by the grace of God, in the year ahead.

May this year be filled with good health and joyous reunions.

Please let us know if we can help you in any way and when you are in the neighborhood, please stop by for a visit. You'll be greeted by friendly smiles, happy barks and welcoming purrs.
